GAUTIER'S HERB CANDY. For Coughs, Colds, Bronchitis, Asthma, etc.
THIS INVALUABLE CANDY has the extraordinary property of immediately relieving coughs, coids, coarseness, difficulty of breathing, bronchitis, asthma, and makiness of the throat. It operates by dissolving the con-

hourseness, dispensity of orealning, bronchitis, ashimal, and huskiness of the throat. It operates by dissolving the congealed phlegm, consequently causing a free expectoration. Those who are troubled with that unpleasant tickling in the throat, which deprives them of rest night after night, by the incessant cough which it provokes, will, by using this Candy, find immediate relief.

The subscriber, in presenting this Candy to public notice, wishes to be expressly understood that he does not claim for it any miraculous curing properties, nor does he present it with a long string of certificates of recommendation, as he considers these altogether needless. This Candy is composed of six simple impredients, principally of herbs, which are known to be very efficacious in the cure of diseases resulting from colds, and some of which, being rather-nanscous in their natural state, would deter many from resorting to them; but, when made into a candy, become palatable, without losing any of their valuable properties.

It has been prepared at the suggestion of one of our meet entired physicians, and has been used by many of his and my personal friends with signal success, and at whose carnest solicitation I have been induced to enter largely into its manufacture, assured by him and them

whose carnest solicitation I have been induced to enter largely into its manufacture, assured by bim and them that when generally known and tried it will supersede all the various cough catelies and mixtures now in use. As for myself, I am confident, from the ingredients of which it is composed, that, should it not effect an entire cure, it can do no injury even to the most delicate in health, and therefore have no hesitancy in introducing it to the citizens of Washington and vicinity.

DIRECTIONS FOR USE: Use one stick per day—in the morning before breakfast, in the middle of the day, and at night on going to bed. Price 12½ cents.

ESSENCE OF COFFEE.

With 12½ Cents to save four Pounds of Coffee!

THIS ESSENCE has been proved by many thousands of the richest and most respectable families, as well as by the poorer class of people, almost through the whole United States, to be by far the best preparation of Coffee ever offered to the public. Coffee made by this Essence is much more wholesome, more delicate, fine-flavored, perfectly clear, and, in every instance, superior to the finest Java coffee.

In order to give full satisfaction and proof that the above article is perfectly healthy, and to show something of the deserved reputation it has gained and justly entitled to, we annex a few certificates and recommendations, particularly relating to health, from Dr. Booth and Dr. Chilton, practical Chemists and Analysists of the cities of Philadelphia and New York; also, from our Agents, all of whom are prominent Chemists and Druggists.

WONDERFUL DISCOVERY!

All must admit there never has been given each a man of genuine testimony in favor of any other medicine. Give it a trial! It cares when all other remedies have fauled. Greater weight of testimony cannot be given—from the first men in this construct.

BALTIMORE, Sept. 18, 1881.

GENTLEMEN: After a full and satisfactory trial of the medicine prepared by you, and very generally known as Dr. Hampton's Vegetable Tincture, which you recommended me to use as a relief for the debility and general prostration of my system, the result of taking three bettles of this wonderful compound has, I sam pleased to say, resulted in a reatoration of strength, a keen appetite, and an existing of body which I have not enjoyed for a long time. So satisfied am I of the virtues of this medicine, that I have confidently recommended it to many of my friends and acquaintance, and am happy to learn that in a great majority of cases the most beneficial results have stamped the infullibility of the Tructure. In my own case, I am satisfied that your salvice to me to give it a trial has, under the blessing of a kind Providence, resulted in a restoration to health, for which I am truly thankful.

Respectfully, JOS. K. STAPLETON, 198 W. Baltimore street.

Moke Home Testimony.—None Need Despair.

TRY IT AND BE CURED.—WonDerful And Per.

Manent Cure of Dyspersia.

Baltimars, Sept. 13, 1861.

Mesers. Mortimer & Mowbray.—Gentlemen: This is to certify that in the year 1843 I was attacked with a nervous affection, in consequence of Dyspepsis or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried every thing I could think or hear of, (sa there was much sympathy for me,) and at length all efforts failed to cure me. I became much weakened, and could walk but a very short distance at a time, and was often in the act of falling upon the pavement, (I would stop in some door or alley to prevent it.) in consequence of frequent paintations; and, from what I could learn, I supposed I had disease of the heart, from frequent distressing pains about the same; as also my chest and abdomen—the latter being much distended. At this stage of my disorder I could neither eat, sleep or wolk with any satisfaction to myself. Life weemed to be a burden to me. My feelings were gloomy beyond description.

I at length heard of Dr., Hempton's Vegetable Tincture, and made trial of it. I had but taken the first dose when I felt a change for the better, and hope immediately sprang up. I continued, with the use of this invaluable functure, to improve daily, until I had taken the contents of three bottles. which, under Divine Providence, made a perfect cure of me.

I found I had an excellent appetite, and could partake

of three bottles, which, under Divine Providence, made a perfect cure of me.

I found I had an excellent appetite, and could partake of any food, which I could not do for years previously without the most distressing sensations. I now enjoy uninterrupted good heatth, and have done so for the last six years; and would say to all afflicted as I have been to cast aside your prejudices, and try Hampton's Vegetable Tincture. Any information beside this but meagre description of my case will be given cheerfully for the benefit of the afflicted. Yours, WILLIAM M.OLDHAM, Custom-House, dwelling, Fayette st., near Fremont.

SUCH A MASS OF HOME TESTIMONY MUST CARRY

BUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

Baltimors, Sep. 18, 1851.

Mestrs. Mortimer & Moubray—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottles of Hampton's Vegetable Tincture, as per his certificate, is, I think; almost unprecedented. His case of extremely excruciating suffering, from Chronic Inflammatory Rheumstism, came immediately under my own observation, through the last four years, which I considered entirely hopeiess. Through my earnest persussion, he was induced to try your invaluable Tincture. I was prompted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remore mountains." The knowledge of this midfulous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his) to make generally known the healing power of this truly wonderful medicine. Yours, most respectfully,

JAMES P. MERRITT,

187 Baltimore street.
